Outlander Location Tour

On this tour we visit three of the key locations used in filming the hit television series Outlander. This series follows the story of Claire Randall, a married combat nurse from 1945 who is somehow swept back in time to 1743.

Falkland

The conservation village of Falkland is where (In Outlander) Claire is transported back to 1743, where she meets the Highland warrior Jamie Fraser.

Doune Castle

This is considered to be one of the best preserved medieval Castles in Scotland, and is the stand-in for Castle Leoch in Outlander.

Blackness Castle

Our final stop on this tour is the dramatic fortress of Blackness Castle which is the stand-in for Fort William in Outlander. It is often referred to as 'the ship that never sailed' due to its ship like appearance.
